

PRETRIAL SERVICES NOTICE TO DEFENDANT

I,

Printed Name (First, Middle, Last)

am being asked questions about myself by a pretrial services officer. Any answers to these questions will be used by the court solely to decide whether I will be released or kept in jail pending any further proceedings. The information will be made available to the court, my attorney, and the prosecuting attorney. I will not be questioned about the charges, and I should avoid talking about them at this time. I understand I am under no obligation to provide any information and do not have to answer any questions.

Any information I provide should be truthful. Providing false information is a separate crime and could be used to deny my release before trial or increase my sentence if I am convicted. I understand the information I provide may be verified through contact with third parties. I may also be asked to provide a urine sample. I understand declining or otherwise opposing these efforts may impact decisions regarding my release or detention.

If I am found guilty, either after trial or after pleading guilty, the information I provide here will be made available to a U.S. Probation Officer for the purpose of preparing a presentence investigation report.

I know I have the right to speak with an attorney before answering any questions. If I cannot afford an attorney, one will be appointed to represent me. Asking for an attorney will not hurt my chance for pretrial release but may delay the decision until counsel is obtained.

I have read this form, or had it read to me, and understand what it means.
